

ANNIE DOCKING & GRANT FRAHM

MAY 18, 2014

FROM ANNIE: **The wedding was held at the Britannia Yacht Club by the water.** We had a tent set up next to the river for the ceremony with an acoustic guitarist playing in the background. With the pink and coral flowers, and wind off the water, this created a seaside atmosphere. **My favourite moment was when we first walked down the aisle as husband and wife!** The photo from this moment perfectly captures our excitement and happiness. Natalie Cole's "This Will Be (An Everlasting Love)" played for the crowd, which was special because it was "something borrowed" from my sister's wedding. **The flowers were gorgeous.** Erin at Full Bloom really understood the look we wanted and delivered vibrant bouquets of peonies and garden roses. **We both enjoy live music and wanted to incorporate this detail into the day.** We opted to include singer and guitarist Peter Voith during the cocktail hour, which our guests really enjoyed!
